WORKPLACE LEADERSHIP
CONSULTING, LLC

The Art of Constructive Confrontation

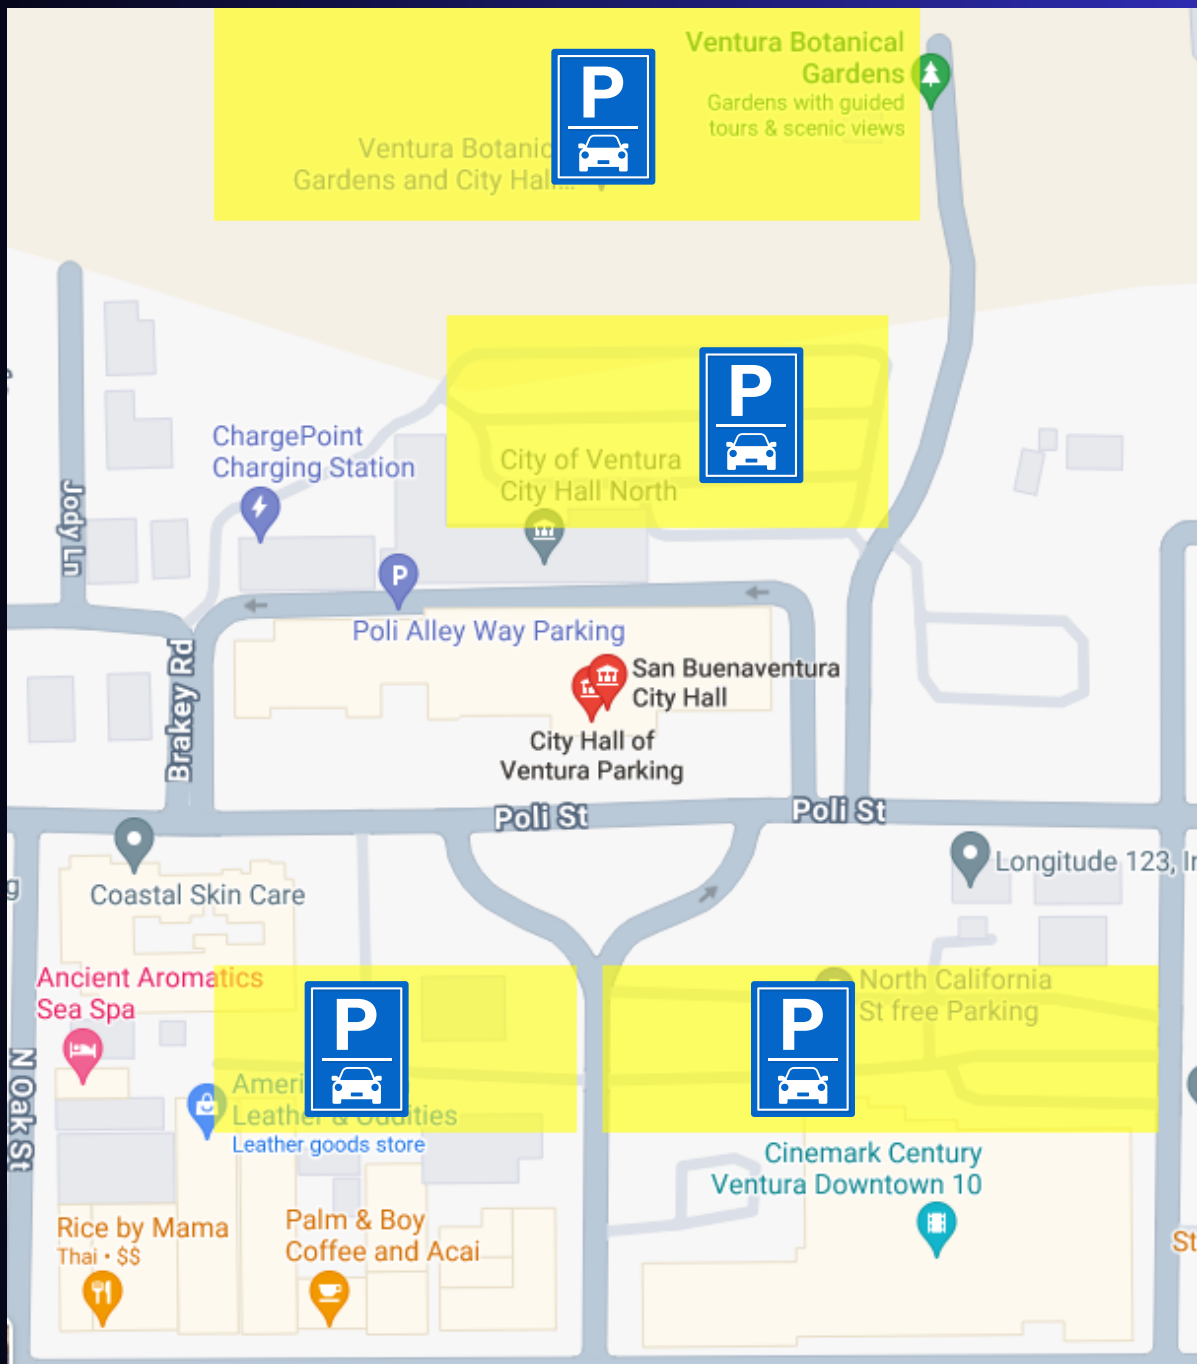

*Handling Tough Conversations with
Employees, Clients & Peers*

Avoidance may feel easier, but ignoring issues rarely makes them go away. This workshop shows leaders how to tackle performance, conduct, and behavior challenges head-on—before they escalate using practical “constructive confrontation” techniques.

Outcome:

Gain the tools and confidence to address problems directly, protect your organization, and foster growth and accountability, turning tough conversations into opportunities for positive change.

Parking

Public parking is available behind City Hall.

Overflow parking:

- Botanical Garden's lot behind City Hall
- In front of City Hall:
between Oak St & Chestnut St.
